

INTRODUCING AT YOUR DOOR

mobile household hazardous waste collection

Waste Management makes it easy for Manhattan Beach residents to dispose of and recycle household hazardous waste – safely, easily, and responsibly.

HOW IT WORKS

1. Call (800) 449-7587 Monday through Friday 8:00 AM - 5:00 Pm/ OR E-mail: ATYOURDOOR@WM.COM and set up a pickup date. It is not necessary for you to be at home at that time. (please note- this is a different number than WM's Customer Service)
2. You will be mailed a collection kit for the waste. It includes a bag, labels, simple instructions, and a zip tie for closing the bag.
3. Collect your hhw, place it in the bag and place the secured zip tie the front porch or near the garage on your designated collection day.
4. On the established pickup date, a WM at Your Door technician will arrive, remove the waste, and safely contain it in our specially designed trucks. Once the waste is collected Waste Management technicians work to responsibly manage the waste and recycle as much as possible.

PLEASE NOTE: AYD Collection does not accept drugs of any kind. Please contact WM Customer Service at (310) 830-7100 to receive a postage pre-paid pharmaceutical mail back bag for safe disposal of all non-controlled pharmaceuticals.
